Harp Rental Information

Renting is an excellent way to explore your (or your loved one's) interest in the harp, and allows you to discover which model best fits your needs. We offer short term rentals, as well as 12, 24, or 36 month rent-to-own programs.

Terms and Conditions

Length of Rental

- The minimum rental period is one month. Your deposit will be refunded to you upon return of the harp in good condition.
- The maximum rental period is 36 months. At the end of the rental period the balance of the cost of the harp will be paid off and you will own your harp.

Rental Rates and Fees

- The monthly rental rate is either 1/12th, 1/24th, or 1/36th the total retail price of the harp you are renting. *(For instance, the retail price of our Braunwen harp is \$1969* so the monthly cost for a 36 month rental would be \$54.70.)*
- In-State Harp Rentals—We require a deposit of \$100 per lap harp and \$150 per floor harp.
- Out-of-State Harp Rentals—We require a 25% deposit.
- Interest Rate—No interest is charged for our rental plans.
- Reasonable fees will be applied for non-payment.
- Your deposit will be returned when you return your harp in good condition.
- Rent-to-Own—Your deposit will be applied to your balance.

Conditions and Responsibilities

- You will insure your rental harp against loss or damage under your homeowners or other insurance policy.
- You will acquire or rent a padded harp case to protect the instrument.
